SPONSORSHIP INFORMATION

Guest Reservation Policy:

If after being invited to the banquet, a guest cannot attend, their reservation form will be put into the cancellation folder, where it will be held for one year (2 banquets). After that time, the form will be discarded & a new reservation form will be required.

If a guest wishes to attend the banquet within that one-year time period, the sponsor must contact the community lay directors to request their reservation form be taken out of the cancellation folder & have the guest put on the list for the next banquet. No reservations will be automatically held over from one banquet to the next.

Addresses & phone numbers change & it is an unwise use of LGB resources to repeatedly send letters only to have them returned because the reservation is outdated.

We, as sponsors, need to make every effort to make sure that we have current information on our guests to prevent this. We also need to remember that as much as we want the guest to attend, it's not in our time, but in God's time that they will attend.

In an effort to ensure that those who truly want to attend are put on the list & to use LGB resources wisely, we appreciate your co-operation with these changes.

Reminder:

The cost for the weekend for each guest is $85, however there are scholarship funds available & no one is turned away for inability to pay. **This is separate from the registration fee**.

As stated on the guest reservation form, a $20 registration fee is to be sent along with the guest & sponsor forms. This can be paid by either the sponsor or the guest. You, as a sponsor may wish to pay this fee, but it is perfectly acceptable to ask your guest to pay it, as a commitment to attending the banquet.
